

MEMBERSHIP REQUIREMENTS

Prospective members are required to attend the RANGE and SAFETY class at the range house and pass a comprehensive Range & Safety test. The purpose of the class is to provide prospective members with a knowledge of the range safety rules, proper conduct while on the range, the facilities available to members and our policies regarding them.

The vetting process will take place when a reasonable number of prospective members sign up for the class. E-mail the club at 29palmsprclub@hushmail.com and request to be placed on the waiting list. You will be notified of the next class.

Applicants will be briefed before taking the test. Failure to pass the test will result in taking it again at the next class.

IMPORTANT! GOVERNMENT ISSUED PHOTO ID IS REQUIRED – MAKE SURE AND BRING YOUR ID AND A COPY WITH YOU TO THE CLASS!

The annual range fee of \$75.00 plus a \$50.00 initiation fee will be collected at the class. All annual memberships expire August 31, so you will not receive a full year's membership. The first enlistment is always the toughest.

The club is located 5-miles East of Adobe Road and 1-mile South on Pinto Mountain Road off SR62/Twenty-nine Palms Hwy. Turn right on Pinto Mountain Road. The club has a highway sign posted and you may follow the signs to the county refuse site.

Best Regards,

Ron Brault, President
